In order to assist other Home Schools in choosing a curriculum, please give a brief description or citation for the "organized course of study" *(20-5-109(4), MCA)* that you have decided to use. We can then generate a list of the programs that are in place and pass that information on when new Home Schools ask what others in the area are doing. You are under NO obligation to use any particular curriculum. Your name will not be used without permission. Thanks.
