Big Horn County
Confirms Three (3) Additional Cases of COVID-19
29 total cases; 21 active cases, eight (8) recovered

HARDIN, MONTANA (May 30, 2020) – Big Horn County added three (3) confirmed positive cases of COVID-19 on Saturday. One (1) person was tested through sentinel surveillance testing events during the week of May 18, 2020, while two (2) were tested as a result of contact with previously-tested positive patients, so-called “contact tracing” done by public health nurses of the contacts of infectious patients.

It should be noted that two (2) of these cases were already accounted for in the State of Montana’s total for Big Horn County; therefore, the State is expected to announce one (1) new case in the County when the COVID-19 dashboard is updated around 10:00 a.m. on Sunday, May 31, 2020.

The three (3) newly-confirmed cases this afternoon are:

Age Ranges	Female	Male	Totals
Under age 10	-	1	1
Age 10 – 19	-	-	-
Age 20 – 29	1	-	1
Age 30 – 39	-	-	-
Age 40 – 49	-	-	-
Age 50 – 59	-	-	-
Age 60 – 69	-	1	1
Over age 70	-	-	-
Totals	1	2	3

Total confirmed positive cases of COVID-19 in Big Horn County:

Age Ranges	Female	Male	Totals	Recovered	Active
Under age 10	1	3	4		
Age 10 – 19	4	6	10		
Age 20 – 29	5	1	6		
Age 30 – 39	1	1	2		
Age 40 – 49	-	2	2		
Age 50 – 59	1	-	1		
Age 60 – 69	2	2	4		
Over age 70	-	-	-		
Totals	13	13	29	8	21

Eight (8) of the earlier confirmed-positive patients have recovered. Of the remaining 21 patients, 20 are quarantining and recovering at home. One (1) patient is hospitalized.

The Big Horn County Public Health Department and Indian Health Service (IHS) Public Health Nursing are currently tracing the contacts of all these new cases. All close contacts will be notified, interviewed, and given instructions for further action if required.

IHS Public Health Nursing and Big Horn County Public Health want to remind all residents of Big Horn County of the best ways to prevent the transmission of this illness: stay home; wash your hands thoroughly and often; clean and sanitize frequently touched surfaces and items; wear a mask when in public; stay at least six (6) feet away from other people; and avoid travel out of the County if at all possible. And if you are feeling sick, do not go to work or leave your home; rather, contact your healthcare provider for guidance.

Tracking down contacts to a positive case is one of the best tools public health can use to slow the spread of the virus. If you believe you were in the presence of a recently confirmed COVID-19 case for more than five (5) minutes, please call public health so that a nurse may interview you and determine what level of exposure you have:

- IHS Public Health: (406) 638-3478
- Big Horn County Public Health: (406) 665-8720

###

Big Horn County is the sixth largest county in Montana, at approximately 5,023 square miles, and with a population exceeding 13,000. The local government was established January 13, 1913. Hardin is the County Seat. <https://www.bighorncountymt.gov/>. For more information about the County's COVID-19 response, please visit our Facebook page at <https://www.facebook.com/BHCMTResponds>.
