Big Horn County Announces 15 Newly-confirmed Cases of COVID-19

Includes six (6) under the age of 20

HARDIN, MONTANA (November 29, 2020) – Big Horn County added 15 new cases of COVID-19 on Sunday, November 29, 2020. Four (4) patients were asymptomatic (without symptoms) and 11 presented with symptoms when tested. Six (6) likely contracted the virus through community spread and nine (9) cases could be traced by public health to previously-known cases of coronavirus.

One (1) previously-reported patient, a man in his 50's, was removed from the total confirmed positive cases of COVID-19 below as he was later determined to be a resident of Yellowstone County.

The new cases are:

Age Ranges	Female	Male	Totals
Under age 10	-	2	2
Age 10 – 19	2	2	4
Age 20 – 29	1	-	1
Age 30 – 39	2	1	3
Age 40 – 49	2	1	3
Age 50 – 59	-	1	1
Age 60 – 69	1	-	1
Over age 70	-	-	-
Totals	8	7	15

Total confirmed positive cases of COVID-19 in Big Horn County:

Age Ranges	Female	Male	Totals	Recovered	Active	Deaths
Under age 10	71	76	147			
Age 10 – 19	152	146	298			
Age 20 – 29	164	142	306			
Age 30 – 39	159	150	309			
Age 40 – 49	135	103	238			
Age 50 – 59	131	97	228			
Age 60 – 69	113	94	207			
Over age 70	86	61	147			
Totals	1,011	869	1,880	1,625	208	47

Recoveries in the County remain at 1,625. 47 persons are deceased. Of the 208 active cases, 187 patients are quarantining and recovering at home. The number of Big Horn County resident patients currently hospitalized in the region is 21.

Month	Number of Cases	Number of Deaths

July	249	5
August	357	8
September	294	7
October	456	17
November (11/29/2020 to date)	450	7
Total since Pandemic Began	1,880	47

With the rising trend in new COVID-19 cases, it is more important than ever to follow the three W's: Wash your hands; Watch your distance from other people; Wear a mask. The County asks all residents to please continue stay home more often and to avoid events or gatherings. Also, the Board of County Commissioners and Board of Public Health ask everyone to wear a mask and social distance when outside of their homes and in public. Masks are required when engaged in indoor activities, such as shopping. Masks are not necessary in the event that residents are outdoors and unlikely to come within six (6) feet of other people, such as while taking advantage of our beautiful county, to work, recreate, or exercise outside.

Tracking down contacts to a positive case (contact tracing) is one of the best tools public health can use to slow the spread of the virus. If you believe you were in the presence of a recently confirmed COVID-19 case for more than five (5) minutes, please call public health so that a nurse may interview you and determine what level of exposure you have:

- IHS Public Health Nursing: (406) 638-3478
- Big Horn County Public Health: (406) 665-8720

###

Big Horn County is the sixth largest county in Montana, at approximately 5,023 square miles, and with a population exceeding 13,000. The local government was established January 13, 1913. Hardin is the County Seat. <https://www.bighorncountymt.gov/> For more information about the County's COVID-19 response, please visit our Facebook page at <https://www.facebook.com/BHCMTResponds>.
