Big Horn County Announces 44th Death from COVID-19

31 newly-confirmed cases added

HARDIN, MONTANA (November 16, 2020) – Big Horn County today announced the 44th death of a County resident due to complications from the 2019 novel coronavirus (COVID-19). The decedent is a man in his 70’s who was hospitalized prior to his death. He died yesterday, Sunday, November 15, 2020.

This is the 4th death recorded in November. The County’s fatality rate is 2.6% (44 deaths out of 1,703 total cases).

To his family and friends, the Big Horn County COVID-19 Response Unified Coalition extends our sincere condolences and prayers for comfort at this most difficult time.

Big Horn County added 31 new cases of COVID-19 on Monday, November 16, 2020. Five (5) patients were asymptomatic (without symptoms) and 26 presented with symptoms when tested. Of the 31 cases, 11 were likely contracted through community spread and 20 cases could be traced by public health to previously-known cases of coronavirus.

The new cases are:

Age Ranges	Female	Male	Totals
Under age 10	-	1	1
Age 10 – 19	1	3	4
Age 20 – 29	4	1	5
Age 30 – 39	4	1	5

September	294	7
October	456	17
November (11/16/2020 to date)	273	4
Total since Pandemic Began	1,703	44

With the rising trend in new COVID-19 cases, it is more important than ever to follow the three W's: Wash your hands; Watch your distance from other people; Wear a mask. The County asks all residents to please continue stay home more often and to avoid events or gatherings. Also, the Board of County Commissioners and Board of Public Health ask everyone to wear a mask and social distance when outside of their homes and in public. Masks are required when engaged in indoor activities, such as shopping. Masks are not necessary in the event that residents are outdoors and unlikely to come within six (6) feet of other people, such as while taking advantage of our beautiful county, to work, recreate, or exercise outside.

Tracking down contacts to a positive case (contact tracing) is one of the best tools public health can use to slow the spread of the virus. If you believe you were in the presence of a recently confirmed COVID-19 case for more than five (5) minutes, please call public health so that a nurse may interview you and determine what level of exposure you have:

- IHS Public Health Nursing: (406) 638-3478
- Big Horn County Public Health: (406) 665-8720

###

Big Horn County is the sixth largest county in Montana, at approximately 5,023 square miles, and with a population exceeding 13,000. The local government was established January 13, 1913. Hardin is the County Seat. <https://www.bighorncountymt.gov/> For more information about the County's COVID-19 response, please visit our Facebook page at <https://www.facebook.com/BHCMTResponds>.
