**Big Horn County Announces Nine (9) Newly-confirmed Cases of COVID-19**  
***370 patients recovered***

**HARDIN, MONTANA** (August 18, 2020) – Big Horn County added nine (9) new cases of COVID-19 on Tuesday. Five (5) of the newly-confirmed cases presented with symptoms when tested and likely contracted the virus through community spread, as there are no known contacts with previous cases at this time. Four (4) patients were tested as a result of contact with previously-confirmed positive patients and were asymptomatic (exhibited no symptoms) when tested.

The new cases are:

Big Horn County wants to remind all residents of the County to please stay home more often and to avoid events or gatherings. Also, the Board of County Commissioners and Board of Public Health ask everyone to wear a mask and social distance when outside of their homes and in public. Masks are required when engaged in indoor activities, such as shopping. Masks are not necessary in the event that residents are outdoors and unlikely to come within six (6) feet of other people, such as while taking advantage of our beautiful county, to work, recreate, or exercise.

Tracking down contacts to a positive case (contact tracing) is one of the best tools public health can use to slow the spread of the virus. If you believe you were in the presence of a recently confirmed COVID-19 case for more than five (5) minutes, please call public health so that a nurse may interview you and determine what level of exposure you have:
