Big Horn County Announces Sixth Death from COVID-19

30 newly-confirmed cases in County

HARDIN, MONTANA (July 29, 2020) – Big Horn County today confirmed a sixth death due to 2019 novel coronavirus (COVID-19) of an individual residing in the County. The decedent was a man in his 60’s and he had been hospitalized prior to his death.

The Big Horn County COVID-19 Response Unified Coalition offers our deepest condolences to his family, friends, and the entire community of Big Horn County.

Big Horn County added 30 new cases of COVID-19 on Wednesday. Of the newly-confirmed cases, 27 patients were tested as a result of contact with previously-confirmed positive patients. Three (3) likely contracted the virus through community spread, as there are no known contacts with previous cases at this time. Ten (10) patients were asymptomatic when tested and 20 patients presented with symptoms.

Big Horn County wants to remind all residents of the County to wear a mask and social distance when outside of their homes and in public. Masks are required when engaged in indoor activities, such as shopping. Masks are not necessary in the event that residents are outdoors and unlikely to come within six (6) feet of other people, such as while taking advantage of our beautiful county, to work, recreate, or exercise.

Tracking down contacts to a positive case (contact tracing) is one of the best tools public health can use to slow the spread of the virus. If you believe you were in the presence of a recently confirmed COVID-19 case for more than five (5) minutes, please call public health so that a nurse may interview you and determine what level of exposure you have:

- IHS Public Health Nursing: (406) 638-3478
- Big Horn County Public Health: (406) 665-8720
