Big Horn County had 74 total positive cases from the months of April, May, and June 2020. The County has now had 81 new cases in the first 20 days of July.

Month	Number of Cases
April	3
May	27
June	44
July to date (7/20/2020)	81

Big Horn County wants to remind all residents of the County to wear a mask and social distance when outside of their homes and in public. Masks are required when engaged in indoor activities, such as shopping. Masks are not necessary in the event that residents are outdoors and unlikely to come within six (6) feet of other people, such as while taking advantage of our beautiful county, to work, recreate, or exercise.

Tracking down contacts to a positive case (contact tracing) is one of the best tools public health can use to slow the spread of the virus. If you believe you were in the presence of a recently confirmed COVID-19 case for more than five (5) minutes, please call public health so that a nurse may interview you and determine what level of exposure you have:

- IHS Public Health Nursing: (406) 638-3478
- Big Horn County Public Health: (406) 665-8720

###

Big Horn County is the sixth largest county in Montana, at approximately 5,023 square miles, and with a population exceeding 13,000. The local government was established January 13, 1913. Hardin is the County Seat. <https://www.bighorncountymt.gov/> For more information about the County's COVID-19 response, please visit our Facebook page at <https://www.facebook.com/BHCMTResponds>.
