Totals	59	60	119	63	51	5

Recoveries in Big Horn County continue to total 63. Five (5) persons are deceased. Of the 51 active cases, 48 patients are quarantining and recovering at home, and three (3) patients are hospitalized.

With the addition of these three patients, Big Horn County has reached 45 cases in the first 12 days of July, surpassing the total number of cases for the entire 30 days of the month of June:

Month	Number of Cases
April	3
May	27
June	44
July to date (7/12/2020)	45

Big Horn County is now averaging three (3) to four (4) new cases per day over the last week:

Big Horn County wants to remind all residents of the County to wear a mask and social distance when outside of their homes and in public. Masks are required when engaged in indoor activities, such as shopping. Masks are not necessary in the event that residents are outdoors and unlikely to come within six (6) feet of other people, such as while taking advantage of our beautiful county, to work, recreate, or exercise.

Tracking down contacts to a positive case (contact tracing) is one of the best tools public health can use to slow the spread of the virus. If you believe you were in the presence of a recently confirmed COVID-19 case for more than five (5) minutes, please call public health so that a nurse may interview you and determine what level of exposure you have:

- IHS Public Health Nursing: (406) 638-3478
- Big Horn County Public Health: (406) 665-8720

###

Big Horn County is the sixth largest county in Montana, at approximately 5,023 square miles, and with a population exceeding 13,000. The local government was established January 13, 1913. Hardin is the County Seat. <https://www.bighorncountymt.gov/> For more information about the County's COVID-19 response, please visit our Facebook page at <https://www.facebook.com/BHCMTResponds>.
