Public health nurses want to remind all residents of Big Horn County of the best ways to prevent the transmission of this illness: stay home; wash your hands thoroughly and often; clean and sanitize frequently touched surfaces and items; wear a mask when in public; stay at least six (6) feet away from other people; and avoid travel out of the County if at all possible. And if you are feeling sick, do not go to work or leave your home; rather, contact your healthcare provider for guidance.

Tracking down contacts to a positive case (contact tracing) is one of the best tools public health can use to slow the spread of the virus. If you believe you were in the presence of a recently confirmed COVID-19 case for more than five (5) minutes, please call public health so that a nurse may interview you and determine what level of exposure you have:
