

Connect to the Big Horn County Public Library iBistro homepage from your work or home

1. Type **My Montana Library** into your web search engine (Google, Yahoo, Firefox or Bing)
2. **My Montana Library** will display at the top of the search results. Left click on the **My Montana Library** link.
3. The mt.gov “My Library” (Green) page will display.
4. Scroll ***down*** this page until you see a dialogue box on the left center that reads: **SEARCH THE MONTANA SHARED CATALOG.**
5. Left click the blue down-arrow on the side of this dialogue box. Scroll ***up*** the list of libraries. Left click on: **BIG HORN COUNTY PUBLIC LIBRARY.**
6. The Library catalogue page iBistro (Maroon) will automatically load and display. This iBistro page is the hub that allows access to databases, (Auto-Repair, agriculture, Government Benefits) features (Best Seller Lists) Downloadable audio books and e-books (MyMontana2Go) and your personal Library account.
7. If the iBistro page does not display, check that the Pop-up blocker is turned OFF. Look under “Tools: in the command line of the browser for the pop-up toggle.
8. Right click on the iBistro page and create a **SHORTCUT** for your desk top. The shortcut will allow you to access the Library’s iBistro page with a single click.
